CAVE DI'GRES

handcrafted feel

Cave Di'Gres is testament to an enduring artistic legacy, where each piece tells a story steeped in history and culture. These tiles, often hand-crafted using traditional techniques, feature intricate geometric patterns and vibrant colors that reflect the rich heritage of Morocco.

From the zellige tiles, meticulously assembled in complex mosaics, to the bold and colorful encaustic tiles, the artistry involved in their creation has been passed down through generations. The patterns, inspired by Islamic art, echo timeless themes of symmetry and infinity, capturing the essence of Moroccan craftsmanship and architectural beauty.
