*Sugar Surface* ————— *600x600mm*

*Glazed Porcelain Stoneware*

Introducing the Metrica Collection, where innovation meets elegance in tile design. Crafted with a unique dual-layer technique, these tiles feature a rough matte body that provides a robust and textured foundation. The top layer is a polished sugar grain finish, designed to catch and reflect light, creating a captivating sparkle on the surface. This interplay of textures not only enhances the visual appeal but also brings a sophisticated charm to any space. The Metrica Collection seamlessly combines durability with aesthetic brilliance, making it the perfect choice for those looking to elevate their interiors with a touch of luxury and style.

A SURFACE  
WHICH ENRICHES,  
IMPROVES AND OFFERS  
NEW HINTS TO THE  
CREATIVITY

The beauty of the Metrica Collection's surface lies in its harmonious blend of textures and finishes. The rough matte body provides a strong, tactile foundation, creating a sense of depth and stability. Above this, the polished sugar grain finish captures and reflects light, producing a dazzling, sparkling effect that enhances the visual appeal of the tiles.
